OF TIGERS.

---

AS the word Tiger is a generic name, given several animals of different species, it is proper to begin with distinguishing them from each other. Leopards and Panthers have often been confounded together, and are called Tigers by most travellers. The Ounce, a small species of Panther, which is easily tamed, and used by the Orientals in the chase, has been taken for the Panther itself, and described as such by the name of Tiger. The Lynx, and that called the Lion's provider, have also sometimes received the name of Panther, and some-
