
ACCOUNT OF SOME ANIMALS NOT EXPRESSLY
TREATED OF IN THIS WORK.

WE have now finished, to the utmost of our ability, the History of Quadrupeds, but in order to render it still more complete, we shall not pass over in silence those of which we have not been able to obtain an exact knowledge. They are but few, and of those few, many must be looked upon as varieties of those species we have before mentioned; yet feeling it as a duty to state all we knew, or could gain a knowledge of, in the animal kingdom, we determined to add the following, and in which we have been as particular as possible.
