

*Ναρθηκοπλήρωτον δὲ θηρῶμαι πυρὸς
Πηγὴν κλοπαίαν, ἢ διδάσκαλος τέχνης
Πάσης βροτοῖς πεφῶνε καὶ μέγας πόθος.*

Prom. Vinct. 109.

*I brought to earth the spark of heavenly fire,
Concealed at first, and small, but spreading soon
Among the sons of men, and burning on,
Teacher of art and use, and fount of power.*
